

WETNOSE

POSE WITH A NOSE

**Raising money for Animal
Rescue Centres across the UK**

29th September - 1st October 2017

Wetnose Animal Aid is raising funds that will be given to struggling Animal Rescue Centres to help pay off vets bills, buy equipment or animal feed which would go a long way to helping them in their day-to-day invaluable work.

WETNOSE

POSE WITH A NOSE

Our aim is to have a National fundraising day for all animals and wildlife. Wetnose Day 4 Animals is a real chance to give sick, abused animals and wildlife a proper voice, to remind people to 'think rescue' rather than buying a puppy from a breeder or over the internet.

29th September - 1st October 2017

- Raising the profiles of the amazing pets that come into rescue centres
- How to look after our pets sensibly and treat them with care
- Educate children on the importance of having rescue centres
